Three Pole Technical Works LLC (in short 3PT) was started in 2010 and is registered with the Department of Economic Development – Dubai. 3PT is approved by DEWA as an Electrical Contractor for Dubai Electricity & Water Authority (Reg. No. 0010514890). The three pillars of our company signifies our founding values of **Quality, Honesty and Dedication**. We are consistently associated with high standard of quality, service and personal attention to the clients and consultants needs and requirements. With these qualities in hand we are looking forward to becoming one of the most trusted and reliable contractors in the market.

We provide comprehensive professional building services and state of the art MEP Solutions in the following fields:

Electrical Services:

- Installation of complete electrical systems for commercial, industrial and residential complexes
- Power distribution systems
- Street Lighting and decorative lighting
- Power and control systems
- Medium to high voltage power networks
- Installation of switchgear, pocket stations, RMUs, QRM's and TRMs
- Earth Networks and lightning protection

Plumbing Services:

- Experts in all types of plumbing, drainage and sanitary fixing works
- PVC, PPR, COPPER and high pressure line pipe works
- Recycling systems
- All types of sauna, Jacuzzi, and swimming pool systems
- Irrigation line works

Annual Maintenance Contracts:

- Maintenance of Electric, Plumbing & Water Supply Works

ELV – Division:

Having executed projects for Villas, Offices, Showrooms and Buildings we have brought on board experienced personnel in the field of Security to meet the ever challenging requirements of the Security Industry in compliance with Government rules and regulations. The division is well equipped for taking up projects for:

- Access Control
- CCTV System
- Intruder Alarm Systems
- Gate Barriers
- Intercom,
- SMATV System
- Public Address And Background Music
- Structured Cabling for Telephony, Data & Voice.

Annual Maintenance Contracts:

- Maintenance ELV Systems

Our works expertise is delivered through well-planned project management system. We use modern methods, tools and highly skilled labor to maximize our output and results.

We value our relationship with each and every client and consultant, working as a team and being proactive in providing with the best cost effective solutions and results adding maximum value to each and every dirham spent by the client

In doing so we recognize our primary assets are our people and we incorporate in them a sense of belonging and achieving together. Mutual respect provides the foundation of our operation. We provide opportunity and encouragement to help our people reach their full potential.

We are consistently evolving in the field of our works with the latest state of the art technology in methods and materials to enhance productivity and cost-effectiveness and meeting all Health and Safety requirements.

We are committed to quality and meeting customer requirements complying to contractual obligations, clients specifications and Industry Standards. To meet all Statutory Regulations and Codes of Practice. Providing and maintaining good and clean environment and safe workplace. Maintaining high level of performance and providing adequate training resources with continuous improvement in methods of working.

We look forward to opportunities and challenges to grow and prove ourselves in this competitive market. Our commitment to integrity, teamwork and dedication is unshakeable. We look forward to collaborating with organizations that share the same values and principles and growing together.
